CareShieldLife

**CARING
FOR YOU,
FOR LIFE**

As our population ages, more Singaporeans will need long-term care. The Ministry of Health is introducing 3 new measures to **make long-term care more affordable for all Singaporeans.**

If you were born in
1979
or earlier

- Your current ElderShield plans will continue to protect you.
- You can choose to join CareShield Life if you have not developed severe disability.

CareShield Life

is a long-term care insurance scheme that will support the basic long-term care needs of Singaporeans who develop severe disability.

In addition to CareShield Life, Singaporeans can also benefit from two measures.

CareShield Life will provide better protection and assurance in **4** ways

1 Lifetime cash payouts
For as long as you have severe disability

2 Payout starts at \$689/month in 2026 and increases annually
until age 67 or when a successful claim is made

3 Government subsidies to make premiums affordable
No one will lose coverage because of an inability to pay premiums

4 Premiums can be fully paid by MediSave

When Adam is enrolled into CareShield Life at age 30 in 2026

MediSave Care

Cash withdrawal

Up to **\$200** per month from MediSave for those who have developed severe disability

ElderFund from 31 Jan 2020

Assistance for **lower-income Singaporeans** who have developed severe disability

Up to **\$250** per month to help with long-term care needs

+ Other existing government schemes and subsidies
